

Application form

BF2_en_05042023

Application for a residence permit not to be considered as lapsed (adults as well as any accompanying children)

Uses

Use this form if you would like to apply for your residence permit to **remain** valid, even though you:

- have stayed outside Denmark for an extended period of time
- no longer maintain an address in Denmark *or*
- are otherwise not included in the Central Person Register (Folkeregistret)

What happens if my residence permit lapses?

If your residence permit lapses, you lose your right to reside in Denmark. This means you may be denied re-entry if you have been out of Denmark for an extended period of time.

If your residence permit lapses you will need to apply for a new residence permit. Your new application will be processed according to current regulations.

How can my residence permit lapse?

Your residence permit lapses automatically if you no longer maintain an address in Denmark and you leave the country without any intention to return.

If you maintain an address in Denmark, you may leave the country for a period of:

- six months until your residence permit lapses, if you have resided legally for less than two years
- 12 months until your residence permit lapses, if you have resided legally for more than two years, and with the view to a permanent residence.

If you fail to return within the time limit, your permit will automatically lapse.

If you have been granted asylum in Denmark (residence permit as a refugee), your residence permit can lapse only if you have been granted protection in another country, or if you move back to your homeland.

How do I apply to have my residence permit reinstated?

Under certain conditions The Danish Agency for International Recruitment and Integration can reinstate your residence permit. In such cases, you must prove that:

- you intended to return to Denmark within the time limit (six or 12 months)
- you were prevented from returning to Denmark due to unforeseen circumstances beyond your control, such as: illness, detainment, war, natural disasters or problems leaving the country in which you were staying

You must apply as soon as possible to have your residence permit reinstated, that is as soon as you are able to return to Denmark.

C. Information on how we process your personal data

SIRI is obliged to inform you how we process your data and to inform you of your rights in regard to how we process your data.

Data controller

SIRI is the data controller and responsible for processing the personal data given in this application form and the data provided about you during the processing of the case. You can contact the agency by writing to the following address: The Danish Agency for International Recruitment and Integration (SIRI), Carl Jacobsens Vej 39, PO box 304, 2500 Valby or through our contact form on newtodenmark.dk/SIRI-contactform.

Data protection officer

You can contact our data protection officer by writing to the aforementioned address (Att. Data protection officer) or by using our contact form at newtodenmark.dk/SIRI-contactform. You can read more about SIRI as data controller and about SIRI's data protection officer on newtodenmark.dk/personaldata.

Purpose and legal basis

The personal data you give to SIRI is collected and used:

- to process your application for residence and/or work in Denmark
- in any later applications for extension or for a new residence and/or work permit in Denmark
- for verification and spot checks of the conditions for your residence and/or work

The legal basis for processing your personal data is:

- The Danish Aliens Act, in particular chapter 1 on the entry and residence of aliens in Denmark.
- The General Data Protection Regulation (GDPR), article 6.1 (c) (relating to the processing of data in order to comply with the legal obligation to which the controller is subject) and 6.1 (e) (relating to the exercise of official authority vested in the Danish Agency for International Recruitment and Integration by the Aliens Act).
- The General Data Protection Regulation (GDPR), article 9.2 (f) (relating to the necessity of processing in order to establish, exercise or defend legal claims).
- The Danish Data Protection Act section 8 (relating to the official authority only being allowed to process information about criminal offences if it is necessary for tasks of that official authority).

The information you give or have given in connection with your application will be registered in the registers of Danish immigration authorities. The same holds true for any information you later give in connection with an application to extend your residence permit or for a new residence and/or work permit in Denmark.

Some of your data will be registered in the Civil Registration System (CPR). This will in some instances happen immediately when you are granted a permit. In other situations the registration will take place only when you take up residence in Denmark.

Some data, including biometric data, will be registered in the Schengen Information System (SIS) under certain circumstances. This applies if you have been given a time limit for departure in relation to your application or your residence in Denmark. It also applies if you have been banned from the Schengen area.

We process the following categories of data about you:

- General personal data, such as: information about your name, possible civil registration number (CPR-number), ; citizenship, occupation, education, marital status, financial information and whether you have committed any legally punishable offences
- Sensitive personal data, such as: health information and biometric data collected for the purpose of establishing your identity.

We can pass on your data to the following recipients

SIRI can pass on your data to your sponsor (e.g. your employer, place of study, host or family member), municipal authorities, the police, the Danish Security and Intelligence Service and the Danish Defence Intelligence Service, the

public prosecutor, the Immigration Appeals Board, the Refugee Appeals Board, the Ministry of Immigration and Integration, the Danish immigration Service, the Danish Return Agency, the Danish Agency for Labour Market and Recruitment, the Ministry of Foreign Affairs of Denmark and The Danish Parliament.

In isolated cases, SIRI also passes on your data to other public authorities, private sector organizations and foreign organizations and authorities when it is necessary to exercise our official authority.

Personal data will be shared with the relevant authorities in the other Schengen states, when SIRI is legally obliged to do so. These authorities will have access to the information registered in SIS by SIRI when it is relevant to their case processing.

Furthermore, data from SIRI's registers and the CPR register are shared with other relevant authorities or organisations via the Aliens Information Portal (Udlændingefinformatiportalen) if they need the data in order to process aspects of your stay in Denmark.

SIRI shares data when it is necessary in order to exercise our official authority, including when we are legally obliged to share information.

If you lose your residence permit, we will inform your current or previous employers, if any, that you no longer have the right to work. This will happen, if we issue a refusal to an application for a residence permit or to an extension of a residence permit. It will also happen if we revoke your residence permit or if we establish that your residence permit has lapsed. Employers who within the last three months have reported salary payments to you to the income register will be informed.

What is the origin of the data we process about you?

The personal data that SIRI processes about you have been provided by you in this application form. We will also process data you may submit to your case later.

In addition, we will process data obtained from:

- any of your previous applications submitted to SIRI,
- searches in databases, such as: the Civil Registration System (CPR), the Central Business Register (CVR), the Income Register (eIncome), the Building and Housing Registry (BBR), the Schengen Information System (SIS)
- other authorities, such as: municipal authorities, the Regional State Administration, the Danish Immigration Service, the Immigration Appeals Board and the Refugee Appeals Board,
- third-parties or sponsors, such as: your au pair- or internship host, employer or educational institutions
- any person applying for a residence permit based on your grounds for residence in Denmark, and this person's previous cases with SIRI.
- Any person, who you base an application for a residence permit on, and this person's previous cases with SIRI.

Storage of data

SIRI will store your personal data for as long as it is necessary in order to be able to carry out our tasks in relation to establishing or defending a legal claim to residence.

Data submitted as part of an immigration related matter can be stored for use by the immigration authorities at a later date. This means that the data can enter into the decision making process regarding future applications for extension of a residence permit, when revoking a residence permit, for verification and spot checks, when deciding whether a permit has lapsed, in relation to applications for permanent residency and for naturalization and in cases concerning any family members. In practice this means that SIRI will store your data for the period of your 'lifecycle' – i.e. your entire life. Basic data regarding your stay in Denmark, e.g. when and why you have been granted a residence permit and information on other decisions made by SIRI regarding your residence in Denmark will not be erased.

If you have your finger prints and facial photo taken for use with your residence card and for identification and identity control, your fingerprints and photo will be stored in the immigration authorities' database. If you are granted a residence permit, your fingerprints and photo will be stored for 10 years. If you are not granted a residence permit, your fingerprints and photo will be stored for 20 years. If you are granted Danish citizenship, your fingerprints and photo will be deleted.

Personal data registered in the Schengen Information System (SIS) in relation to a deadline for departure are normally stored in SIS until your exit from the Schengen area is registered. If the data are registered in relation to an entry ban to the Schengen area, these data will, as a rule, be stored until the entry ban has expired.

Finally, it must be mentioned that data will be transferred to the Danish National Archives in accordance with the Danish Archives Act.

SIRI can share information about you with your sponsor (e.g. in order to enable SIRI to verify the accuracy of the information you have provided in the application, or in order to check whether you continue to meet the conditions of your permit) without your consent, when necessary in order to process your application or as part of later spot-checks. Please note paragraph [B] "Information on how we process your data" in section 7 "Declaration and information – applicant".

However, it will sometimes ease the processing of your case if SIRI to a greater extent can share information about your personal circumstances with your sponsor or potential third party (e.g. if we cannot get in touch with you). If

you would like SIRI to be able to share information with your sponsor or a third party, you must give your consent below.

If you do not wish to give your consent to let SIRI share information in these situations, we will instead get the information from you (the applicant) and abstain from sharing information with your sponsor or third party. This may result in a longer processing time for your application.

You can at any point in time withdraw your consent. If you wish to withdraw your consent you must inform us. Please find our contact information at newtodenmark.dk/contact-siri.
