

Application form

ST9_en_010724

Application for an extension of a residence permit based on educational attachment or change of education

What can you use this form for?

You can use this form to apply for an **extension** of your residence and work permit in Denmark based on **educational attachment** or **change of education**.

This application form can only be used if you have **not** changed your education since receiving your current residence and work permit. If you have changed your education, you must submit a new application for a residence and work permit based on change of education (application form ST8).

You can also use this form to apply for a **6-month residence permit for job seeking** if you have completed your educational programme in Denmark on the basis of educational attachment or change of education.

You may need to apply for a job seeking permit because you either were not granted a 6-month job seeking residence permit along with your residence permit on the basis of educational attachment or change of education, or because you have completed your education after the standard (nominal) duration of the programme.

The purpose of the job seeking period is for you to find employment in Denmark, after you have completed your educational programme.

How to apply

1. **Complete the application form** (section 1-8) and **sign in section 13** (follow the instructions in the form)
2. Attach the necessary documents
3. Submit the application in Denmark at one of SIRI's branch offices

Which documents are required?

If you are to study at a **higher educational programme** or at a **vocational training**, you must attach the following documents:

- Documentation of paid fee
- Copy of all pages of your passport, including the empty pages and the front and back cover of the passport
- Documentation of enrolment at the place of education

If you are applying for a **6-month job seeking permit**, you must attach the following documents:

- Documentation of paid fee
- Copy of all pages of your passport, including the empty pages and the front and back cover of the passport
- Documentation that you have completed your educational programme in Denmark

Are other documents required when you submit the application?

Yes, when submitting your application in person, you must present your original passport to the authorities for identification.

Does it cost anything to submit an application?

Yes, you will normally need to pay a fee in order to get the application processed by the Danish Agency for International Recruitment and Integration (SIRI).

You can read more about the fees in section 1 of this form or on newtodenmark.dk/fee where you can also see a list of current fees.

For more information

You can find more information about the regulations for residence and work permits in Denmark on newtodenmark.dk.

If you have any questions, you can always contact SIRI. You can find our contact information on newtodenmark.dk/contact-SIRI.

Please note that documents not written in Danish, English, German, Norwegian or Swedish must be submitted along with a certified translation in one of these languages.

Biometric features required on residence cards

You must have your biometric features recorded (digital facial image and fingerprints) when you submit your application. Your biometric features need to be recorded in relation to having your residence card issued.

You can have your biometric features recorded at one of SIRI's branch offices. You must have your biometric features recorded no later than 14 days after you have submitted your application for a residence and work permit.

You can find a list of SIRI's branch offices, as well as information on how to book an appointment for having your biometric features recorded on newtodenmark.dk/contact-siri.

You can read more about biometric features on residence cards on the last page of the form and on newtodenmark.dk/residencecard.

Remember – to submit your application for extension before your current residence permit expires

If you submit your application for extension after your current residence permit have expired, it is very likely that your application will be **rejected**. This is due to the fact that you will be staying in Denmark illegally, as soon as your current residence permit expires. This means that the Danish Agency for International Recruitment and Integration (SIRI) will no longer process your application, and that you in this case would need to leave Denmark and apply for a new residence and work permit from your home country. This also applies even if the situation concerns a short-term illegal stay. Furthermore, you can be **deported** from Denmark based on illegal stay and/or illegal work.

Data controller

SIRI is the data controller and responsible for processing the personal data given in this application form and the data provided about you during the processing of the case. You can contact the agency by writing to the following address: The Danish Agency for International Recruitment and Integration (SIRI), Carl Jacobsens Vej 39, PO box 304, 2500 Valby or through our contact form on newtodenmark.dk/SIRI-contactform.

Data protection officer

You can contact our data protection officer by writing to the aforementioned address (Att. Data protection officer) or by using our contact form at newtodenmark.dk/SIRI-contactform. You can read more about SIRI as data controller and about SIRI's data protection officer on newtodenmark.dk/personaldata.

Purpose and legal basis

The personal data you provide to SIRI is collected and used:

- to process your application for a residence and/or work permit in Denmark
- in any later application for an extension or for a new residence and/or work permit in Denmark
- for verification and spot checks of the conditions for your residence and/or work in Denmark

The legal basis for processing your personal data is:

- The Danish Aliens Act, in particular chapter 1 on the entry and residence of aliens in Denmark.
- The General Data Protection Regulation (GDPR), article 6.1 (c) (relating to the processing of data in order to comply with the legal obligation to which the controller is subject) and 6.1 (e) (relating to the exercise of official authority vested in SIRI by the Aliens Act).
- The General Data Protection Regulation (GDPR), article 9.2 (f) (relating to the necessity of processing in order to establish, exercise or defend legal claims).
- The Danish Data Protection Act section 8 (relating to the official authority only being allowed to process information about criminal offences if it is necessary for tasks of that official authority).

The information you give or have given in connection with your application will be registered in the registers of Danish immigration authorities. The same holds true for any information you later give in connection with an application to extend your residence permit or for a new residence and/or work permit in Denmark.

Some of your data will be registered in the Civil Registration System (CPR). This will in some instances happen immediately when you are granted a permit. In other situations the registration will take place only when you take up residence in Denmark.

Some data, including biometric data, will be registered in the Schengen Information System (SIS) under certain circumstances. This applies if you have been given a time limit for departure in relation to your application or your residence in Denmark. It also applies if you have been banned from the Schengen area.

We process the following categories of data about you:

- General personal data, such as: information about your name, possible civil registration number (CPR-number), ; citizenship, occupation, education, marital status, financial information and whether you have committed any legally punishable offences
- Sensitive personal data, such as: health information and biometric data collected for the purpose of establishing your identity.

We can disclose your data to the following recipients

SIRI can pass on your data to your sponsor (e.g. your employer, place of study, host or family member), municipal authorities, the police, the Danish Security and Intelligence Service and the Danish Defence Intelligence Service, the public prosecutor, the Immigration Appeals Board, the Refugee Appeals Board, the Ministry of Immigration and Integration, the Danish immigration Service, the Danish Return Agency, the Danish Agency for Labour Market and Recruitment, the Ministry of Foreign Affairs of Denmark and The Danish Parliament.

In isolated cases, SIRI also passes on your data to other public authorities, private sector organizations and foreign organizations and authorities when it is necessary to exercise our official authority.

Personal data will be shared with the relevant authorities in the other Schengen states, when SIRI is legally obliged to do so. These authorities will have access to the information registered in SIS by SIRI when it is relevant to their case processing.

Furthermore, data from SIRI's registers and the CPR register are shared with other relevant authorities or organisations via the Aliens Information Portal (Udlændingeinformationsportalen) if they need the data in order to process aspects of your stay in Denmark.

SIRI shares data when it is necessary in order to exercise our official authority, including when we are legally obliged to share information.

If you lose your residence permit, we will inform your current or previous employers, if any, that you no longer have the right to work. This will happen, if we issue a refusal to an application for a residence permit or to an extension of a residence permit. It will also happen if we revoke your residence permit or if we establish that your residence permit has lapsed. Employers who within the last three months have reported salary payments to you to the income register will be informed.

What is the origin of the data we process about you?

The personal data that SIRI processes about you have been provided by you in this application form. We will also process data you may submit to your case later.

In addition, we will process data obtained from:

- any of your previous applications submitted to SIRI,
- searches in databases, such as: the Civil Registration System (CPR), the Central Business Register (CVR), the Income Register (eIncome), the Buildings and Housing Register (BBR), the Central Crime Register (KR), the Central Passport Register and the Schengen Information System (SIS)
- other authorities, such as: municipal authorities, the Criminal Register (the police), the Regional State Administration, the Danish Immigration Service, the Immigration Appeals Board and the Refugee Appeals Board,
- third-parties or sponsors, such as: your au pair- or internship host, employer or educational institutions
- any person applying for a residence permit based on your grounds for residence in Denmark, and this person's previous cases with SIRI.

Storage of data

SIRI will store your personal data for as long as it is necessary in order to be able to carry out our tasks in relation to establishing or defending a legal claim to residence.

Data submitted as part of an immigration related matter can be stored for use by the immigration authorities at a later date. This means that the data can enter into the decision making process regarding future applications for extension of a residence permit, when revoking a residence permit, for verification and spot checks, when deciding whether a permit has lapsed, in relation to applications for permanent residency and for naturalization and in cases concerning any family members.

In practice this means that SIRI will store your data for the period of your 'lifecycle' – i.e. your entire life. Basic data regarding your stay in Denmark, e.g. when and why you have been granted a residence permit and information on other decisions made by SIRI regarding your residence in Denmark will not be erased.

If you have your fingerprints and facial photo taken for use with your residence card and for identification and identity control, your fingerprints and photo will be stored in the immigration authorities' database. If you are granted a residence permit, your fingerprints and photo will be stored for 10 years. If you are not granted a residence permit, your fingerprints and photo will be stored for 20 years. If you are granted Danish citizenship, your fingerprints and photo will be deleted.

Personal data registered in the Schengen Information System (SIS) in relation to a deadline for departure are normally stored in SIS until your exit from the Schengen area is registered. If the data are registered in relation to an entry ban to the Schengen area, these data will, as a rule, be stored until the entry ban has expired.

Finally, it must be mentioned that data will be transferred to the Danish National Archives in accordance with the Danish Archives Act.

Your rights

Under the GDPR you have a number of rights in relation to our processing of data about you:

The right to know what kind of data we process about you

You have the right to ask what kind of data we are processing about you and be granted access to these data. If you request access to your data, your application will be processed in accordance with the GDPR's regulations governing right of access. If there are other regulations which provide you with greater access than the GDPR affords, your request for access will be processed in accordance with these regulations as well. These additional regulations may include those contained in the Public Administration Act that governs freedom of information requests.

The right to rectification (data correction) and the right to have your data erased

You have the right to request that corrections be made to personal data about you that you find inaccurate. In specific situations, you also have the right to have your data erased. As a rule, information can only be erased, if it is not necessary for processing your case as SIRI is obliged to record and register information in accordance with the Public Administration Act.

The right to restriction of processing

In some situations, you have the right to restrict the processing of your personal data. Where processing has been restricted, SIRI may thereafter, with the exception of storage, only process your data with your consent unless the purpose of the processing is to establish or defend a legal claim, to protect another person or for reasons of important public interest.

The right to object

In some situations, you have the right to object to otherwise legal processing of your personal data. This means that you can request that your data is erased, corrected or restricted.

You can read more about your rights in the Danish Data Protection Agency's guidelines about GDPR at www.datatilsynet.dk. If you would like make use of your rights under the GDPR, contact SIRI.

Complaints to the Data Protection Agency

You have the right to submit a complaint to the Data Protection Agency if you are dissatisfied with the way we process your personal data. Contact information for the Data Protection Agency is available at www.datatilsynet.dk.

D. Verification and spot-checks

Your case may be selected for a spot-check. The spot-check aims to verify the following:

- The accuracy of the information you have given.
- Whether you meet the conditions for a residence and/or work permit, if such is granted to you.
- Whether you are staying and/or working in Denmark without the necessary permit.

Verification may involve the following:

- Checking public registers, such as the Civil Registration System (CPR)
- Comparing information contained in the registers of SIRI and the Danish Immigration Service with records held by the Civil Registration System (CPR), the Buildings and Housing Register (BBR), the Central Business Register (CVR) and the Income Register (eIncome).
- Contacting other authorities, such as municipalities
- Contacting third parties, such as employers or places of study
- Turning up in person at your residence, place of study or workplace
- Using information about employment registered by the employer (in a so-called digital logbook). The Danish Agency for International Recruitment and Integration, the Danish Tax Agency, The Danish Agency for Labour Market and Recruitment as well as municipal councils can impose the use of digital logbooks on employers.

You may be asked to supply additional information as part of the verification and spot-check process.

10. Consent to let SIRI share information from my case with the educational institution

When necessary in order to process your application or as part of later verification and spot check procedures of your stay in Denmark, SIRI will, without your consent, share information about you with the educational institution you are enrolled at. This can for example be in order to enable SIRI to verify the accuracy of the information you have provided in the application, or in order to check whether you continue to meet the conditions of your permit). Please note paragraph C "Information on how we process your data" in section 9 "Declarations and information".

However, it will sometimes ease the processing of your case if SIRI to a greater extent can share information about your personal circumstances with the educational institution (e.g. if we cannot get in touch with you). If you would like SIRI to be able to share information with the educational institution, you must give your consent below.

If you do not wish to give your consent to let SIRI share information in these situations, we will instead get the information from you (the applicant) and abstain from sharing information with the educational institution. This may result in a longer processing time for your application.

You can at any point in time withdraw your consent. If you wish to withdraw your consent, you must inform us. You can find our contact information on newtodenmark.dk/contact-siri.

(tick off)

I hereby consent to let the Danish Agency for International Recruitment and Integration (SIRI) share information about me with the educational institution to this greater extent in order to ease the processing of this application.

11. Consent to let SIRI collect information from the Criminal Register (the police) in connection with the processing of your application.

You only need to make a decision on whether you wish to give your consent in this situation, if you are applying for an extension of your residence and work permit based on educational attachment, and if your previous residence permit has either been refused extension or revoked, or if your right to residence under EU rules is found to have expired from 1 July 2020 – 30 June 2024.

If your residence permit has been refused extension, has been revoked or if your right to residence under EU rules is found to have expired from 1 July 2020 – 30 June 2024, it is necessary for the processing of your application for a residence and work permit based on educational attachment that SIRI collects information concerning criminal offences from the Criminal Register (the police).

SIRI collects information from the Criminal Register (the police) with the purpose of assessing whether you meet the requirements for being granted a residence and work permit based on educational attachment. In relation to this, please read paragraph C, "Information on how we process your personal data" in section 8 "Declarations and information".

SIRI will collect information concerning whether you, during the period between 1 July 2020 and up until SIRI makes a decision, have been:

- expelled under the Danish Aliens Act
- sentenced or fined for violating the obligation to notify (meldepligt) under the Danish Act regarding the Return of Foreign Nationals with No Leave to Stay section 12 (1)
- sentenced or fined for violating the obligation to reside at a specified accommodation facility (opholdspligt) under the Danish Act regarding the Return of Foreign Nationals with No Leave to Stay section 13 (1).

Deportation under the Danish Aliens Act section 25 (b) and sentence under the Danish Aliens Act section 59 (2) are not included. This means that if you have received a decision regarding deportation, because you have been staying in Denmark illegally, and have been sentenced to either a fine or imprisonment afterwards, you will still be able to obtain a residence and work permit based on educational attachment. However, it continues to be a condition that you must meet the additional requirements for being granted a residence permit based on educational attachment.

If you do not give your consent to let SIRI collect information from the Criminal Register (the police), SIRI will not be able to assess whether you meet the requirements for being granted a residence and work permit based on educational attachment. Therefore, your application for a residence and work permit based on educational attachment will, as a rule, be refused.

You can withdraw your consent at anytime. If you wish to withdraw your consent, you must inform us of this. Please find our contact information at newtodenmark.dk/contact-SIRI.

(tick the box)

I hereby consent to let the Danish Agency for International Recruitment and Integration (SIRI) collect information about my criminal offences from the Criminal Register (the police), for the purpose of the processing of my application based on educational attachment.

12. Sworn declaration regarding the Criminal Code

You only need to make a decision on whether you wish to sign this sworn declaration, if your residence permit has either been refused extension or revoked, or if your right to residence under EU rules is found to have expired from 1 July 2020 – 30 June 2024.

In order to be granted an extension of a residence and work permit based on educational attachment, it is a condition that, during the period between 1 July 2020 and up until SIRI makes a decision, the applicant has not been either: ordered to leave Denmark by a court under the Danish Aliens Act, has not been sentenced or fined for violating the obligation to notify (meldepligt) under the Danish Act regarding the Return of Foreign Nationals with No Leave to Stay section 12 (1), or the obligation to reside at a specified accommodation facility (opholdspligt) under the Return of Foreign Nationals with No Leave to Stay section 13 (1).

Deportation under the Danish Aliens Act section 25 (b) and sentence under the Danish Aliens Act section 59 (2) are not included. This means that if you have received a decision regarding deportation, because you have been staying in Denmark illegally, and have been sentenced to either a fine or imprisonment afterwards, you will still be able to obtain a residence and work permit based on educational attachment. However, it continues to be a condition that you must meet the additional requirements for being granted a residence permit based on educational attachment.

I hereby declare that as of July 1 2020, I have not committed any of the crimes listed above.

If this information is found to be false, I am subject to the following penalties:

- Fine or imprisonment of up to two years.
- I can be required by law to repay the expenses incurred by the Danish state as a consequence of the false information.
