**Application for residence and work permit on the grounds of salaried work****PART 1 – to be filled out by the applicant (the employee)****1. Information about fees**

You will normally need to pay a fee if you submit an application for a residence and work permit in Denmark. You can find the current fees on [newtodenmark.dk/fee](http://newtodenmark.dk/fee).

All persons who submit an application for residence and work permit on the grounds of salaried work must do the following in the order below:

1. Create a case order ID. **Please note:** You must state the case order ID in the field below.
2. Pay the fee. **Please note:** Certain groups of applicants may be exempt from paying the fee. These groups must still create a case order ID.
3. Submit the application.

The fee covers the processing of your case. This means that the fee will not be refunded if your application is turned down. Furthermore, the fee will not be refunded if, during the processing of your case, you choose to withdraw your application. If you have not paid the fee your application will be rejected, which means that it will not be processed. If your application is rejected for any other reason, the fee will be refunded minus an administration fee.

**How do I create a case order ID?**

Anyone can create a case order ID on [newtodenmark.dk/fee](http://newtodenmark.dk/fee). You must clearly state the case order ID in the field below and when paying the fee (if applicable).

**How do I pay the fee?**

You can pay the fee in several ways, such as by credit card, through a Danish internet bank, in the bank or at the post office. On [newtodenmark.dk/fee](http://newtodenmark.dk/fee) you can choose how you wish to pay, and you can see which information is required when paying the fee. **Please note:** The fee must be paid no later than at the same time the application is submitted. In most cases, this means that the fee will need to be paid **before** the application is submitted. Only a few Danish diplomatic missions will allow you to pay the fee when you submit your application. You **cannot** pay the fee at SIRI's branch offices. Please **include documentation that you have paid the fee**, such as a receipt for payment by credit card, for transfer through a Danish internet bank or a receipt from a bank or post office.

**As a Turkish citizen, you may be exempt from paying the fee**

If you (the applicant) are a Turkish citizen and are applying for a residence and work permit on the grounds of salaried work, you may be exempt from paying the fee. On [newtodenmark.dk/fee](http://newtodenmark.dk/fee) you can read more about who is exempt from paying the fee. If you are a Turkish citizen and believe that you are exempt from paying the fee, please tick the box next to "Applicant is exempt from paying the fee". If you do this you do not need to fill in the information required for refunding the fee. When you create a case order ID, please state that you are exempt from paying the fee. Please note: if the immigration authorities decide that you are in fact not exempt from paying the fee, your application will be rejected, which means that it will not be processed. However, if you have paid the fee and the immigration authorities decide that you are in fact exempt from paying the fee, the fee will be refunded.

**1.1 Case order ID**

Please state your **case order ID**. The case order ID you state below must be identical to the case order ID stated when paying the fee. Please include documentation that you have paid the fee. If you believe that you are exempt from paying the fee, please enter your case order ID and tick the box next to 'The applicant is exempt from paying the fee'.

If the refund is to be paid to a foreign bank account, we recommend that you speak with your bank first to obtain the information necessary in order to receive a transfer from Denmark. In addition to the account information, you may also need to provide the bank's address.

Please note that for a period of 180 days, your fee cannot be returned to a bank account, if you originally paid the fee with Dankort or credit card. #### Purpose and legal basis

The personal data you provide to SIRI is collected and used:

- to process your application for a residence and/or work permit in Denmark
- in any later application for an extension or for a new residence and/or work permit in Denmark
- for verification and spot checks of the conditions for your residence and/or work in Denmark

The legal basis for processing your personal data is:

- The Danish Aliens Act, in particular chapter 1 on the entry and residence of aliens in Denmark.
- The General Data Protection Regulation (GDPR), article 6.1 (c) (relating to the processing of data in order to comply with the legal obligation to which the controller is subject) and 6.1 (e) (relating to the exercise of official authority vested in SIRI by the Aliens Act).
- The General Data Protection Regulation (GDPR), article 9.2 (f) (relating to the necessity of processing in order to establish, exercise or defend legal claims).
- The Danish Data Protection Act section 8 (relating to the official authority only being allowed to process information about criminal offences if it is necessary for tasks of that official authority).

The information you give or have given in connection with your application will be registered in the registers of Danish immigration authorities. The same holds true for any information you later give in connection with an application to extend your residence permit or for a new residence and/or work permit in Denmark.

Some of your data will be registered in the Civil Registration System (CPR). This will in some instances happen immediately when you are granted a permit. In other situations the registration will take place only when you take up residence in Denmark.

**We process the following categories of data about you:**

- General personal data, such as: information about your name, possible civil registration number (CPR-number), citizenship, occupation, education, marital status, financial information and whether you have committed any legally punishable offences
- Sensitive personal data, such as: health information and biometric data collected for the purpose of establishing your identity.

**We can disclose your data to the following recipients**

SIRI can pass on your data to your sponsor (e.g. your employer, place of study, host or family member), municipal authorities, the police, the Danish Security and Intelligence Service and the Danish Defence Intelligence Service, the public prosecutor, the Immigration Appeals Board, the Refugee Appeals Board, the Ministry of Immigration and Integration, the Danish immigration Service, the Danish Return Agency, the Danish Agency for Labour Market and Recruitment, the Regional Labour Market Councils, the Ministry of Foreign Affairs of Denmark and The Danish Parliament.

In isolated cases, SIRI also passes on your data to other public authorities, private sector organizations and foreign organizations and authorities when it is necessary to exercise our official authority.

Furthermore, data from SIRI's registers and the CPR register are shared with other relevant authorities or organisations via the Aliens Information Portal (Udlændingeinformationsportalen) if they need the data in order to process aspects of your stay in Denmark.

SIRI shares data when it is necessary in order to exercise our official authority, including when we are legally obliged to share information.

If you lose your residence permit, we will inform your current or previous employers, if any, that you no longer have the right to work. This will happen, if we issue a refusal to an application for a residence permit or to an extension of a residence permit. It will also happen if we revoke your residence permit or if we establish that your residence permit has lapsed. Employers who within the last three months have reported salary payments to you to the income register will be informed.

**What is the origin of the data we process about you?**

The personal data that SIRI processes about you have been provided by you in this application form. We will also process data you may submit to your case later.

In addition, we will process data obtained from:

- any of your previous applications submitted to SIRI,

- other authorities, such as: municipal authorities, the Regional State Administration, the Danish Immigration Service, the Immigration Appeals Board and the Refugee Appeals Board,
- third-parties or sponsors, such as: your au pair- or internship host, employer or educational institutions
- any person applying for a residence permit based on your grounds for residence in Denmark, and this person's previous cases with SIRI.

**Storage of data**

SIRI will store your personal data for as long as it is necessary in order to be able to carry out our tasks in relation to establishing or defending a legal claim to residence.

Data submitted as part of an immigration related matter can be stored for use by the immigration authorities at a later date. This means that the data can enter into the decision making process regarding future applications for extension of a residence permit, when revoking a residence permit, for verification and spot checks, when deciding whether a permit has lapsed, in relation to applications for permanent residency and for naturalization and in cases concerning any family members.

In practice this means that SIRI will store your data for the period of your 'lifecycle' – i.e. your entire life. Basic data regarding your stay in Denmark, e.g. when and why you have been granted a residence permit and information on other decisions made by SIRI regarding your residence in Denmark will not be erased.

If you have your finger prints and facial photo taken for use with your residence card and for identification and identity control, your fingerprints and photo will be stored in the immigration authorities' database. If you are granted a residence permit, your fingerprints and photo will be stored for 10 years. If you are not granted a residence permit, your fingerprints and photo will be stored for 20 years. If you are granted Danish citizenship, your fingerprints and photo will be deleted.

Finally, it must be mentioned that data will be transferred to the Danish National Archives in accordance with the Danish Archives Act.

In some situations, you have the right to object to otherwise legal processing of your personal data. This means that you can request that your data is erased, corrected or restricted.

You may be asked to supply additional information as part of the verification and spot-check process.

### 13. Consent to let SIRI share information from my case with my sponsor or potential third party

When necessary in order to process your application or as part of later verification and spot check procedures of your stay in Denmark, SIRI can, without your consent, share information about you with your sponsor. This can for example be in order to enable SIRI to verify the accuracy of the information you have provided in the application, or in order to check whether you continue to meet the conditions of your permit). Please note paragraph D "Information on how we process your data" in section 12 "Declaration and information – applicant"

However, it will sometimes ease the processing of your case if SIRI to a greater extent can share information about your personal circumstances with your sponsor or a potential third party (e.g. if we cannot get in touch with you). If you would like SIRI to be able to share information with your sponsor or a third party, you must give your consent below.

If you do not wish to give your consent to let SIRI share information in these situations, we will instead get the information from you (the applicant) and abstain from sharing information with your sponsor or third party. This may result in a longer processing time for your application.

You can at any point in time withdraw your consent. If you wish to withdraw your consent you must inform us. You can find our contact information on [newtodenmark.dk/contact-siri](http://newtodenmark.dk/contact-siri).

## Biometric features required on residence cards

If you submit your application in Denmark or in a country where Denmark has a diplomatic mission, you must appear in person to have your biometric features (digital facial image and fingerprints) recorded.

If you submit your application at the diplomatic mission of a country with which Denmark has a representation agreement, you must appear in person to submit two passport photos. Upon arrival in Denmark, your biometric features (digital facial image and fingerprint) will be recorded.

If you send your application by post or fax or if it is submitted by a third-party such as a lawyer, you must appear in person to have your biometric features recorded **within 14 days** of the application being submitted. If you reside in a country where Denmark has a representation agreement with another country's diplomatic mission, you must appear in person to submit two passport photos **within 14 days** of submitting your application. When you appear to have your biometric features recorded or to submit your passport photos, please remember to bring a photocopy of the first three pages of your completed application form. This will allow the immigration authorities to match your biometric features or your passport photo with the application. **Please note** that the processing of your application will not begin until your biometric features or passport photos are submitted.

Please **bring your passport** or other form of travel documentation when having your biometric features recorded or when submitting your passport photos. In addition to your biometric features, your signature will also be recorded. Facial images and fingerprints are stored on a microchip embedded in the residence card.

If you are in Denmark, you can get your biometrics recorded in one of the Agency for International Recruitment and Integration departments. If you live abroad, the website of the Danish Ministry of Foreign Affairs contains a list of embassies and consulates, as well as Danish representation agreements with other countries' diplomatic missions ([um.dk/en](http://um.dk/en)).

If you do not agree to have your biometric features recorded in connection with the application being submitted in Denmark or at a Danish diplomatic mission, your application will be **rejected**. If the application is submitted at another country's diplomatic mission with which Denmark has a representation agreement, and you do not submit two passport photos, it will likewise be rejected. If you are not physically capable of providing fingerprints, you will not be required to do so.
