

Sworn declaration for GL2

Sworn declaration that I have given correct information

I solemnly swear that the information I have given in this application is correct and complete and that I have not left out any important information in regards to the processing of my application. If the information is found to be false, or if important information is missing, I am subject to the following penalties:

- My application can be refused based on the duty of disclosure under the Aliens Act, cf. Section 40, article 1, point 1, of the Executive Order on the Entry into Force for Greenland of the Aliens Act.
- I may be subject to sanctions under Section 57 of the Criminal Act for Greenland for providing a false declaration to a public authority.
- I can be required by law to repay the expenses incurred by the public authorities as a consequence of the false information.
- My residence permit can be revoked.
