Application for reopening of case about family reunification with a spouse

What can this application form be used for?

This application form can be used to apply for reopening of a case about family reunification with a spouse, when the applicant's application for family reunification with a spouse or partner, who is or were a Turkish citizen residing in Denmark, has been rejected.

A case can be reopened if:

- The rejection is issued from 3 June 2000 or later.
- The spouse or partner in Denmark is or have been a Turkish citizen.
- The reason for the rejection is that the attachment requirement was not met.
- The spouse or partner in Denmark was an economically active Turkish citizen at the time of the original ruling.

The basis of the possibility for reopening

On 10 July 2019 the European Court of Justice delivered a judgement on the attachment requirement. On the basis of the judgement, it has been assessed that the attachment requirement could not be used as a requirement in cases where the spouse or partner in Denmark was an economically active Turkish citizen.

The applicants whose applications for family reunification have been rejected on the grounds of the attachment requirement can therefore get their cases reopened, if their spouse in Denmark was an economically active Turkish citizen.

Read more about the judgement and the possibility for reopening of certain cases in the news item at newtodenmark.dk from 28 August 2019:

www.nyidanmark.dk/en-GB/News-Front-Page/2019/08/The-attachment-requirement-in-cases-about-family-reunification

The requirement does not apply if the benefits are small, one-time benefits that are not related to assistance or benefits that are comparable to wages or a pension or the equivalent.

- Tax-free educational grant

Below you must solemnly swear on whether you have received public benefits under the terms of the Active Social Policy Act or the Integration Act for the last three years regardless of the size of the benefit. Thereafter the Immigration Service will access if the benefit (if applicable) is covered by the self-support requirement.

If it is required that you are able to support yourself, your spouse's/cohabitating partner's residence permit can be revoked if you receive public benefits under the terms of the Active Social Policy Act or the Integration Act until your spouse/cohabitating partner has been granted a permanent residence permit.

Please note, the Immigration Service will obtain information from the income registry (eIndkomst) when the application is being processed regarding whether you have received benefits under the terms of the Active Social Policy Act or the

Integration Act. If there is an inconsistency between your information and the information from the income registry, you will be asked to submit comments.

Furthermore you should note that you will be punished with a fine or imprisonment of up to two years if the information you have provided is found to be false (Criminal Code section 161, cf. Section 40).
