How is a case order ID created?

Everyone can create a case order ID at newtodenmark.dk. You can create it at the relevant application page at www.newtodenmark.dk/you-want-to-apply/retired-employee.

How is a fee paid?

You can pay the fee in several ways for example with a credit or debit card, from a Danish internet bank, in the bank or at the post office. At the page on newtodenmark.dk where you created the case order ID, you can choose how you wish to pay, and you can see which information is required when paying the fee. **Please note:** The fee must be paid no later than at the same time the application is submitted. In most cases, this means that the fee will need to be paid **before** the application is submitted. You **cannot** pay the fee at the Immigration Service's Citizen Service. Please **enclose** documentation of the payment e.g. a receipt from a transfer via your net bank or a receipt from your bank or a post office.

Who is exempt from paying a fee?

There may be special cases where you can submit an application for residence permit without paying the fee. If you believe, you are exempt from paying the fee, please tick the box "I am exempt from paying the fee". When you create a case order ID, please state that you are exempt from paying the fee. **Please note:** if the immigration authorities decide that you are in fact not exempt from paying the fee, your application will be rejected, which means that it will not be processed. However, if you have paid the fee and the immigration authorities decide that you are in fact exempt from paying the fee, the fee will be refunded.

Normally permission for residence permit cannot be granted to your spouse or partner if it is doubtful whether the marriage/cohabitation has been mutually agreed to by both parties.

If you and your spouse/cohabiting partner are closely related, the Immigration Service will consider it doubtful that the marriage/cohabitation has been entered into with the consent of both parties, unless special reasons suggest otherwise.

Are you and your spouse/cohabiting partner closely related? By closely related we mean e.g. uncles and aunts, cousins, the children of cousins, cousins of parents and the grandchildren of grandparents' brothers and sisters. Danish legislation requires that we determine whether:

- The marriage is pro forma, i.e. with the primary reason of obtaining a residence permit for your spouse.

Please note: According to Danish law marriages conducted by proxy (where one or both spouses were not present during the ceremony) are invalid. Marriages conducted by a religious cleric and without legal authority are also considered invalid. Such unions can therefore not be used as a basis for family reunification.

The questions below are intended to help us determine whether your marriage can be claimed as grounds for family reunification. We ask these questions in all applications, and we only ask questions that are relevant for processing an application for residence permit as an accompanying spouse of a retired employee.
