

Power of attorney

I

Applicant's name
Applicant's address
Applicant's date of birth
Applicant's CPR no. or personal ID

hereby grant

Representative's name
Representative's address
Representative's CPR no. / CVR no. and if applicable, organization, firm, or public authority

power of attorney to be my party representative in (tick one or more boxes):

- My pending cases at the Danish Immigration Service at the time I issue the power of attorney.**
- A single case that is pending at the Immigration Service with case no.: _____**
- A case that has not yet been started, where my party representative will submit an application to the Immigration Service on my behalf. The application must be submitted no later than 3 months from the date I issue the power of attorney.**

This means that my party representative can receive confidential and personal information and act on my behalf in the cases that are included in the power of attorney.

All letters and decisions from the Immigration Service on the cases will be sent to my party representative instead of me, and my party representative can, among other things, send information and release statements for the cases on my behalf.

My party representative can also request the right of access to all my previous cases in the Immigration Service.

The power of attorney automatically ends when the Immigration Service has completed the processing of the cases that are included in the power of attorney, and any appeal deadlines have expired. I can always withdraw the power of attorney by contacting the Immigration Service.
